Your bylaws are approved.

A PTA/PTSA must have a current set of bylaws on file with the Wisconsin State PTA to maintain their good standing status. PTAs/PTSAs that are NOT in good standing are not eligible to receive awards or to submit Reflections entries. Please contact me, if you have any questions.

Thank you for your work on these bylaws, it is greatly appreciated.

Excerpt from Roberts Rule of Order Newly Revised 10th Edition

The contents of a society's bylaws has important bearing on the right and duties of members within the organization—whether present or absent from the assembly – and on the degree to which the general membership is to retain control of, or be relieved of detailed concern with, the society's business. Except as the rules of a society may provide otherwise, its assembly (that is, the members attending one of its regular or properly called meetings) has full and sole power to act for the entire organization and does so by majority vote. Any limitation or standing delegation of the assembly's power with respect to the society as a whole can only be by provision in the bylaws – or in the corporate charter or separate constitution, if either of these exists.
