

Come and Blaze the Monroe Mustangs PTA trail!

Our annual PTA membership drive is under way and we are looking for Monroe Mustang families that are ready to saddle up and join PTA!!! Being part of PTA gives you an opportunity to support the students, teachers, and Monroe school as a whole! **Many volunteer opportunities are available and volunteering is one way you can get involved in your child's school experiences!!!**

All members will receive the Monroe School Student Phone Directory which will be delivered in late October!

Together we can make a difference at Monroe School! Thank you for your support!
