Message from Principal Pope

Dear Parents and Guardians,

As we end this year my staff and I reflect and remain committed to providing your children with our mission: In our safe and respectful community, we celebrate each growing mind, body, and heart through active learning.

Looking forward to the 2017-18 we wanted to keep you informed, as a district we have made some changes to improve the start of the school year. **Our first day of school is Tuesday, September 5. We will attend school ALL DAY.** Our OPEN HOUSE will be on August 31.

Enjoy your summer with family and friends. May it be safe, relaxing and filled with creating memories.

Sincerely,
Sally Pope
Principal

Kindergarten Staggered Start

Half of the kindergarten students will attend on September 5 and half of the kindergarten students will attend on September 6. All kindergarten students will report together on September 7.

Previously, you had chosen your preference for the staggered start day for your child. Reminder, all kindergarten families and their students need to attend our Open House August 31 to visit the classroom, meet the teacher, and put supplies away. Confirmation of staggered start information will be mailed in mid June.

As staff prepares the building and their classrooms, please understand Open House is the time we will use to welcome our students and families. **PLEASE PLAN ON BEING HERE THE ENTIRE TIME 5:00-6:30!** More details to following in summer emails!

WHO, WHO... WHOOOOO IS YOUR TEACHER?

It is always exciting to find out which room your child's classroom assignment will be. This year for those families that have completed registration and fee payment online they will be able to see their student's classroom when the district releases that information within Infinite Campus. You can also receive this information at Registration Night on August 16.

Please do not contact the school office for this information. We ask you use Infinite Campus, Registration Night or Open House.
