Hello Monroe Families!

We hope you all had a wonderful holiday season. We have just gotten back into the swing of things and have so many fun events coming in the next couple of months! We just had our Winter Sing and all the kids looked like they had a blast performing for their families. Now we get to look forward to games and possible explosions (not really, those experiments need to stay at home!).

PAPA MURPHY'S PIZZA NIGHT IS JANUARY 18TH!

Letter from the Board

Dear Monroe Families,

Its already been a busy year and we aren't even a month in! With is being so hectic, we are looking for some time to relax and have fun. We have a few events that should help find that much deserved time off.

First, we have our Family Game Night. Come and join us for some family time playing a huge variety of games. We will have Bingo, games on the SmartBoards, as well as good, old fashioned, boardgames. Enter to win prizes in our raffle and have fun with other families. Make sure to keep an eye out for flyers coming home

Next, we have our annual Science Fair. Students are currently working very hard on their projects, getting them ready for everyone to see. Even if you don't have a child participating, come and visit to see the hard work that they put in. Some of the projects are looking really interesting. If your child is still interested, please contact us and we can get them signed up and ready to present their work!

Finally, its that time again where we are looking for new board members. We are currently looking for the President, Treasurer, and Secretary. You can find out more about these positions by talking with our current board members or at our next meeting.

Our next meeting is January 17. You don't have to be a member of the PTA to attend! If you're not a member yet, don't worry, its not too late. Seven dollars gets you all the perks of being in the PTA. Coupons for concessions and the student directory are just a couple.

Warm Thoughts,

Monroe PTA Board
