## Letter from the Board

### Dear Monroe Families,

I think we were spoiled with that extra warm October. Now the average weather seems extra cold. The shorter days don't always help either. But the magic of the winter season is coming up. And I don't mean the fact that our kids are bringing home runny noses and colds and we are stocking up on lysol spray. The magic that is the season of spending time with the ones that are most important to you.

The school will be hosting its annual Winter Sing, where our kids have practiced to put on a great show for us. Along with that we visit their classrooms, where the teachers have projects and their own classroom wish lists. They get as excited as the kids with presents!
